

Dear Parent/Carer,

In school this half term we will be holding an 'Aspirations Week' where we will be asking the children to think about their aspirations for the future. The week will be held the week commencing 30th September.

As part of sharing our aspirations, we are looking to involve the friends and families of Gorse Hill. If you, a family member or a friend would be happy to come into school during this week to talk to the children about your journey and your job we would love to hear from you. We would love the children to have the opportunity to talk to as many professions as possible whether it is a vet, a builder, a nurse, an electrician, a doctor, a shopkeeper or a fireman we would love you to get involved.

If you would be interested, please complete the slip below and return it to your child's class teacher. Let us know what day of the week would be best and a contact number so we can confirm times. We look forward to seeing as many of you as possible.

Kind Regards

Mrs Durkan
