

Dear Parents,

We would like to invite you to a meeting about our online learning journey, on Tuesday 22nd January 2019. There are two time slots: 9am and 2pm. You can choose the one that is most suitable for you.

The aim of the meeting is to inform you about how we make observations of your child and how these will be accessible on hand held devices and laptops from home, in real time.

At the meeting, you will receive a unique, personal code which will allow you access to only your child's observations and photos. Staff will be on hand to get you up and running and to show you how to download the EExAT parent app.

We look forward to seeing as many of you as possible as this is a really lovely opportunity to be actively involved in your child's learning.

Please return the slip below to your child's class teacher.

Yours sincerely

Mrs Shuttleworth
