

## YEAR 1 ARE SUPER!

To celebrate our half term's learning on what makes us so super, Year 1 are having a superhero day!

On Friday 19<sup>th</sup> October, the last day of half term, the children in Year 1 are all invited to come in dressed as either their favourite superhero, or in something that represents their own super trait. For example, last year we had 'Love Girl' and 'Glitter Girl' etc where the children represented their caring and shining personalities.

Please don't worry about going to too much trouble for this as the main aim of the day is to celebrate our learning and the fact that we are all super.

Any questions, please do not hesitate to ask.

Regards,

The Year 1 Team
