

## **Class 9- Linking Schools trip to Z ARTS, Hulme**

The children in Class 9 will be visiting Z Arts for the day on Thursday 15<sup>th</sup> November. This is an important element of their Linking Schools Project. The children will meet their partner school children, from Fairway Primary, Offerton, Stockport, for the first time at this neutral venue. They will be taking part in Street Dance and Silk Screen Printing sessions together after initial ice-breaker games.

The children must wear their Gorse Hill Primary school polo shirt and jumper, but may wear track suit bottoms or leggings, so that they will be comfortable for the dance session. If your child usually has a school lunch this will be provided. If your child has a packed lunch please can you provide this in a named carrier bag. The usual rules apply; no glass bottles or fizzy drinks please.

The coach will leave school at 9.30am and will return by 3pm.

The cost for the venue, coach and experts for all Linked School Project trips is funded by school. However, in this instance, the artists at Z Arts require an additional fee of £2 per child for the materials for the printing, due to rising costs. Please can your child bring cash to school (not ParentPay) for this trip as the money will be paid on arrival. The children may bring this payment to school on any day prior to the trip.

Thank you for your support,

Mrs. Schofield Y4 Teacher
