

TRAFFORD PRIMARY/INFANT/JUNIOR COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS - 2017 ADMISSION ARRANGEMENTS

Infant/Primary School Admissions

A child reaches compulsory school age on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August. In Trafford, all children may commence primary education earlier than the legal admission date, if parents so wish, through a single intake in September of children who will become 5 between 1 September and 31 August in the admission year. Parents may request that their child's entry be deferred until later in the school year. In this instance, the place will be held for the child and is not available to be offered to another child. However, parents cannot defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can choose for their children to start school on a part time or full time basis, and can also choose a place at a nursery or other early learning setting. In addition, the parents of a summer born child may request that their child's entry is delayed until the September following the child's fifth birthday, so that the child is admitted out of their normal age group – to reception rather than year 1. Alternatively, parents can choose to provide efficient full-time education otherwise than at school. Applications can be submitted from the beginning of the 2016 autumn term. Details of Trafford's procedure for the delayed admission of summer born children are included in Trafford's Policy; Admission of Summer Born Children.

The closing date for applications for admission in the academic year 2017 is **15 January 2017**.

Decisions regarding the allocation of places for September 2017 will be posted to parents on **16 April 2017**. Applications received after the closing deadline, 15 January 2017, will only be considered after all other applications received on time have been processed.

Oversubscription Criteria

Quite often, there are not enough places at a school to satisfy every parent who wants to send their child there. This is what is meant when a school is "oversubscribed". When schools are "oversubscribed" the admissions authority has to adopt criteria for deciding which children are to be offered the available places.

Where the number of applications for a Trafford community or voluntary controlled school exceeds the number of places available at the relevant school the following over-subscription criteria will apply:

1. Looked After Children and all previously Looked After Children. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority, in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989). Previously Looked After Children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)[‡].
2. Children who live in the catchment area of the requested school, who will have a sibling attending the requested primary, infant or partner junior school **at the time of the applicant's proposed admission** (This includes half/step/adopted/foster brothers or sisters, and any other children, who are living at the same address as part of the same family unit).
3. Children who live in the catchment area of the requested school.
4. Children, who live outside the catchment area of the requested school, with a sibling attending the requested primary, infant or partner junior school **at the time of the applicant's proposed admission** (This includes half/step/adopted/foster brothers or sisters, and any other children, who are living at the same address as part of the same family unit).
5. Children who live nearest to the requested school, calculated in a direct straight line from the child's permanent place of residence to the school. For the home address the distance will be calculated using property co-ordinates provided from Trafford's Local Land and Property

[‡] Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Gazetteer (BS7666), Royal Mail Postal Address Information may be used in some instances. In the case of a child living in a block of flats, co-ordinates will be obtained in the same way. The co-ordinates used for each school are held in Trafford's School Admissions and Transfer system and are listed in the Alphabetical List of Primary Schools contained in Trafford's Composite Prospectus, published on Trafford's website under the title "Starting Primary School"

If there are more applicants than can be accommodated at a school in criteria 1 to 4, places will be offered to those children in each criterion whose place of residence is nearest to the school, as defined in criterion 5.

Where two or more applications cannot be otherwise separated, the final place will be determined through a random draw, conducted and scrutinised by persons independent from the School, and from the Children, Families and Wellbeing Directorate.

Final Tie Break Arrangements

Each random allocation event only holds for the allocation of the currently available school place. On any waiting list the remaining applicants remain equally ranked and any further place is offered as the result of a further random exercise.

The Draw

The draw will be made by a person independent of the relevant school and from the Children, Families and Wellbeing Directorate.

The draw will be scrutinised by another person independent from the relevant school, and from the Children, Families and Wellbeing Directorate.

The application reference number for each pupil to be included in the draw will be recorded in Part 1 of the 'Random Draw Record Sheet'.

Each application reference number will be recorded on a separate sheet and sealed into an envelope. The envelopes will be shuffled by the person designated to make the draw and an envelope will be chosen.

The person designated to make the draw will open the chosen envelope and record the name in Part 2 of the 'Random Draw Record Sheet'

This process will be repeated until all the available places are allocated.

The person designated to make the draw and the Independent Scrutineer will sign the declarations in Part 3 of the 'Random Draw Record Sheet' to confirm that the process has been carried out in accordance with this procedure.

Junior School Admissions

Trafford Community Junior Schools will admit into Year 3 **all** pupils from year 2 of their partner Infant school whose parents so wish, regardless of their published admission number. Other pupils will be admitted provided that the prospective Year 3 age group has not reached the School's published admission number.

Should the School receive more applications from "non partner infant school" pupils than can be accommodated places will be offered in accordance with the published oversubscription criteria.

Home Address

The criteria used by Trafford in determining admissions to Community and Voluntary Controlled Schools refer, in every instance, to the child's home address. This means the address where the child normally and permanently lives, not the address of any child-carer, grandparent or other relative. In the case of parents who are separated and where child-care arrangements are shared between two addresses in the catchment area, the average of the distances of the two addresses from the school will be used for the purposes of determining priority for admission. Where one of the addresses is outside the catchment area, the applicant will be regarded as living outside the catchment area, for the purpose of determining which category the application will be considered under, and the average of

the distances of the two addresses from the school will be used for the purposes of determining priority.

It is always assumed that you will provide the correct factual information when you apply for a school place. Trafford takes very seriously any attempt to gain an advantage in the admissions process by giving false information and will investigate possible fraudulent applications. **If a place is offered at a school and then it is discovered that the offer was made on fraudulent or misleading information (for example, a false claim to living at an address) the place offered will be withdrawn and the place may be offered to another child.** A place may also be withdrawn even after your child has started school.

Pupils who move into/within Trafford during the Transfer Procedure

The Authority accepts as evidence of removal into/within the area proof of exchange of contracts relating to the purchase of a property or a copy of a signed rental agreement (minimum 12 months) **and** proof of disposal of the previous home. The Authority retains the right to check on occupancy arrangements and the decision of the Executive Director, Children and Young People's Service on such matters is final.

Applications for children who move into/within Trafford by the 15 January 2017, who have submitted an on time application, will be considered in light of the new address details. However, where an on time application has not been submitted, applications will only be considered after all applications received by 15 January 2017 have been considered.

Applications for children who move after the 15 January 2017 will be considered from the new address in the review of allocation decisions in May 2017, following the same criteria as used for initial allocations. Where it proves impossible to accommodate a child in their preferred school, Trafford will consider how best to place that child in a school within Trafford.

You must inform the Admissions Team immediately if you change your address, or intend to change your address, at any time during the transfer process, as this may change your child's priority for a particular school. Failure to advise a proposed change of address may be considered as a misleading application. We assume that you will always provide us with full and factual information when you apply for a school place. **You should be aware that any school place that has been offered on the basis of false or misleading information may be withdrawn and the place may be offered to another child.**

Catchment Areas

All Trafford Community/Voluntary Controlled Infant and Primary Schools have a catchment area. Information on catchment areas is held in Trafford's Local Land and Property Gazetteer which complies with BS7666. Maps showing the boundaries of those catchment areas can be viewed on the Council's website. A number of community schools share an area with an adjacent community school and children who live in such a "shared" area are considered, for admissions purposes, to live within the catchment area for both schools.

In Year Applications

Applications received outside the normal admissions round "In Year", will be determined by the same oversubscription criteria.

Children in public care who require admission to a school outside the normal admissions round, will normally be offered a place at the school serving the address at which the pupil is living, subject to the requirements of Infant Class Regulations. Admissions will normally be processed within ten days of the application.

Nursery Places

Applications for admission to a nursery class should be made to the Headteacher of the school who decides on admissions in accordance with the policy adopted by the Governing Body of the School. Attendance at a nursery class attached to a community/voluntary controlled school does not give your child any additional priority when applying for a place in the reception class of the school.

Right of Appeal

In accordance with the School Standards and Framework Act you have the right to appeal against any decision made by the Admission Authority and an Independent Appeals Panel has been set up specifically for this purpose. If you wish to exercise your right of appeal you must contact the Legal and Democratic Services Team, Town Hall, Talbot Road, Stretford, M32 0YT, telephone number 0161 912 4221, to obtain an appeal form.
