About

CommuniTree

Established in 2013, CommuniTree delivers high quality forest school, outdoor education and experiences. CommuniTree inspires people to reconnect with nature through the ethos and principles of Forest School.

We encourage creativity, uniqueness and positive risk-taking while asking the children to consider the values of treating themselves, each other and the natural world with kindness.

Activities

- Games and free play
- Fire building and cooking
- Building dens and shelters
- Using tools
- Bug hunting
