Newsletter week ending 17th March

Neurodiversity Week

This week, we have been celebrating our unique strengths and differences as part of Neurodiversity week. Neurodiversity is recognizing that everyone's brains work differently and therefore have a unique way of thinking and experiencing the world. Neurodiversity is about recognizing and respecting that we don't all learn the same way.

Lais create a presentation all about his ADHD, explaining to the class what it is, how it affects him (both positively and the challenges he faces), and what he does to help him. We are super proud of him in Class 14 for opening up to all of us. Thank you Lais

Children in EYFS and KS1 watched an episode of Bluey where they explored ideas around celebrating everyone's differences and accepting people for who they are.

In Year 1, pupils took part in different activities and discussions about all of the different ways they learn. Children loved exploring the different ways they learn and celebrating being unique.

In Y2, pupils discussed what autism is and different ways we can help people who might have autism to feel included.

Sports' News

At Gorse Hill Primary School, we are incredibly proud of our sporting achievements. Nearly every week, pupils take part in many different sporting activities during their PE lessons and there are always children representing the school in sporting tournaments.

Last week, our Year 5 and 6 Girls Football Leaders planned, organised and delivered a Disney themed football festival for Year 2 girls from all over Trafford. They were amazing and we have had positive feedback from all the schools that took part as well as Mrs Statham from the Trafford School Sports partnership. Each pupil involved received a Lioness postcard. They were so inspired by this it seems there was 15 girls at Thursday morning Football club in the snow!

Football B Team lost to Moss Parks B team but the drew with Moss Parks A team. Leo, Manasse and Romero with the goals. Sehj in net was man of the match.

Our pupils are featured on the '#Letgirlsplay poster that is used nationwide. We are so proud!

Don't forget we are selling raffle tickets for the Easter egg raffle.

Also, don't forget it's the annual egg decorating competition on Monday 3rd April. We can't wait to see your fabulous entries.

Dates for your Diary!

March

- 20th-24th – Science Week
