Gorse Hill Primary School

Newsletter week ending 7th October

Another busy week at Gorse Hill Primary school!
As the weather is starting to get colder and wetter; please remember to bring a suitable coat into school and wear appropriate footwear.

This week in year 1 history, we have been looking at how dolls have changed over time and how diversity is represented in the toys that we play with.

Year 6

This week in Year 6, children from both classes have been learning how to Mono-print ready for their Hundertwasser inspired contribution to the new hall Art display centered around the Manchester Bee.

EYFS

This week reception have been learning all about the importance of washing our hands. We did little experiment to show how fast germs can travel and why it is so important we wash our hands properly

Year 5

In Year 5, we have been enjoying our French lessons from our French teacher Aurelie. This week we have been recapping colours and numbers and have been playing Simon says in French! Ask your child if they remember any of the actions!

Writer of the Month!

Each month we celebrate a writer of the month from each class. We are very proud to display the pupils' written work on our lovely Writing Display.

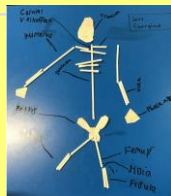

The Children's Commissioner @ChildrensComm has launched the #TheBigSummerSurvey, sparking a national conversation about how children spent their summer holidays! We're excited to take part and make our voices heard. Take the survey here <https://www.childrenscommissioner.gov.uk/tbss/>

Year 3

We have been taking a closer look at the skeleton and why it is important. We have been using the scientific skill of 'research using secondary sources' to help us find the scientific names for the bones in our bodies. Then we made our own - take a look....

Year 4

In Year 4, pupils have been having lots of fun learning all about the digestive system. Pupils enjoyed testing themselves to see if they knew where the organs of the digestive system went and what their functions are.

Autumn Disco Tickets are on sale this week!
