Gorse Hill Primary School

Newsletter week ending 29th September

Another fantastic week at Gorse Hill Primary school. Some of our Y6 and Y5 pupils enjoyed a residential at Robinwood and all children are continuing to work extremely hard and impress their teachers every day.

Year 1 have been looking at the story 'Not now Bernard'. This week we have been acting out the story and taking on the different roles. We ended our week by drawing out the story as a whole class

In **reception**, pupils have enjoyed looking at the work of Jackson Pollock and creating their own splatter pictures. I'm sure you'll agree they are fantastic!

The children in **y3** have continued to develop their understanding of the Stone Age this week by looking at cave art and communication during this period. We even had a go at creating some of our own...

Some pupils from **Y5 and Y6** went to **Robinwood**, Dobroyd Castle, for a fun filled activity residential holiday. We are so proud of how the children worked on their resilience, problem solving and grew in confidence. Pupils took part in zip lines, rock climbing, caving, canoeing, giant swing and many more activities.

Y6 children enjoyed making delicious treats and inviting Mrs Durkan to a special tea party.

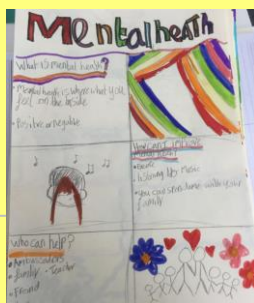

In **Year 4**, pupils have enjoyed learning about the Digestive System. Children had to put the digestive organs in the correct place on the body map.

Year 2 pupils have been enjoying their Lacrosse lessons.

Year 5 have been learning about mental health and well-being. We have been looking at how we can improve our mental health and who we can talk to if we have a problem.
