Gorse Hill Primary School

Newsletter week ending 10th September

Welcome Back!

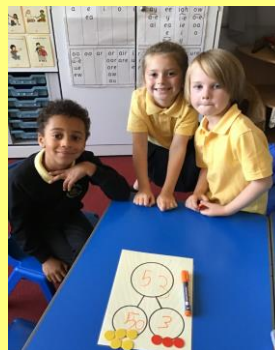

A very warm welcome to all of our Gorse Hill families, whether you are new to our school or returning after the break. It is wonderful to have the school full of children once again and we would like to thank you for your support with the various changes we have made for the start of the academic year. The children have been fantastic this week- we look forward to having a more normal school year!

Sports Club News!

We are so pleased that we can finally offer sports clubs again to our pupils. Mr O'Neill will be running three sports clubs starting next week:
Tues 8:15am: KS2 BOYS Football
Wed 8:15am: KS2 Handball
Thurs 8:15am: KS2 GIRLS Football
Please arrive promptly and enter the Mugga pitch via the school gate on Cavendish Road

Class 2 have settled in well and seem really happy with their new classroom. The playdough and arts and craft area have been a huge hit! This week we have been exploring learning all about the Numberblocks!

Year 2 have made a fantastic start to their Power Maths lessons this week. They have been focusing on finding the 10s and 1s in a 2-digit number. They have knocked Miss O'Neill's socks off with their place value knowledge.

Class 12 have been working very hard starting their art project for the Queen's Jubilee

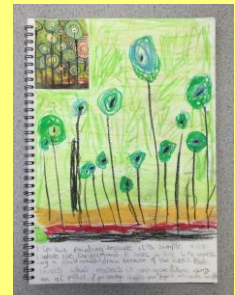

Class 8, have been busy travelling back in time learning about the Stone Age and using a timeline to examine different periods of time. Class 8 have also been looking at how different artists have created artwork of the Queen and have discuss what they like about this particular artwork.

In Class 3, Miss Baker has been very impressed with how the children have adapted to a new routines so quickly. The children have had lots of discussions about rules, behavior and expectations. All of the children know about what being a good friend is.

Year 6, have been introduced to the artwork by Hunderwasser. The children looked at a collection of Hunderwasser's artwork and selected a piece to inspire their own mark-making, colour mixing and drawing.

Virtual Meet the Teacher

Next week we will be hosting virtual Meet The Teacher events at 3:30pm and 4:15pm via zoom. Look out for details from your child's class teacher.
