## Gorse Hill Primary School

Newsletter week ending 18<sup>th</sup> September

### Welcome Back!

I can't believe how fast time has gone! We have been back for over two weeks now. A very warm welcome to all of our Gorse Hill families, whether you are new to our school or returning after the break. It is wonderful to have the school full of children once again and we would like to thank you for your support with the various changes we have made in order to keep everyone safe.

### The Playground

The playground has now been resurfaced meaning we should be ready for the heaviest of downpours this winter. The new line markings are being very well utilised at break and lunchtimes. A particular favourite appears to be the 'Mirror Me' marking. Many parents have commented on how fantastic they look. Over October half term, the peace garden will be completed in the area between the trees next to the extension. This will provide a quiet, reflective area of the playground for children who do not want to be in the main hustle and bustle.

## Main Entrance:

Many of you will have noticed that we have had the main entrance reconfigured meaning that parents and visitors can now access the school office directly from Burleigh Road without having to go into the car park. This is much safer for everyone. We are still waiting for the last few bits of the job to be completed such as the hanging of the bespoke wallpaper Miss Ferguson has designed.

## Parent Governor Vacancy

**What are we looking for?** Our school Governing Body is made up of Governors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the School and are the link between the School and the community it serves

**We are looking for a new Parent Governor-** We will send more information on how to apply via the school app so please look out for this arriving this week.

Don't forget to send your child into school with some money to buy cakes or biscuits in aid of Macmillan Cancer support.

Make sure you have downloaded Ourschoolsapp to keep up-to-date with all school information.
