## Gorse Hill Primary School

### Newsletter week ending 22<sup>nd</sup> September

#### Rights Respecting Bronze Award!

Well done to all of the pupils at Gorse Hill Primary school, who have worked very hard to earn the UNICEF Rights Bronze Award. We have worked hard to learn and understand the UNICEF children's rights. Our school embeds these values in daily school life and gives children the best chance to lead happy, healthy lives and grown into responsible and active citizens.

#### Stone Age Day!

Year 3 pupils had a very exciting day this week when they had a special visitor from the past to learn about all things from the Stone Age. Pupils took part in many activities and really enjoyed the Hunting Game and looking at all of the different bones and artefacts.

In **Nursery**, pupils have enjoyed exploring the forest school looking for snails. Children then slithered around the playground just like a snail.

**Year 2 pupils (class 6)** were really excited to visit the library for the first time on Thursday and borrowed some books! Here are the books they selected!

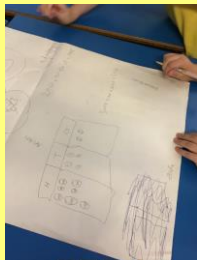

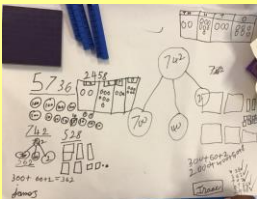

This week in **reception**, children have started to learn their talk story, 'The Enormous Turnip' and decided to make turnip soup! The soup was delicious and went down really well with the children... some even had seconds!

In science, **year one** have been investigating materials to make an umbrella for teddy. We tested different materials to see if they were waterproof or not.

**Class 14** have been working wonderfully hard this week creating beautiful backgrounds for our Hundertwasser-inspired artwork. Also, a massive thank you to Class 14 for being amazingly kind to Miss Pike this week, as she has lost her voice.

Year 4 pupils have been very busy investigating Place Value problems.

In art, **Year 5** have been investigating the colour wheel and using this information to design posters for the Paris Olympics.
