Gorse Hill Primary School

Newsletter week ending 19^h January 2018

Greetings from the Governors!

Hello from the Gorse Hill Governing Body. You will see from the website that I am Liz Williams, the Chair of Governors. We thought it would be a good idea to contribute to the school newsletter, at least once a month, so that you know how we are working with Mrs Bates, the staff and the children to make our school 'the best it can be!'

We are very proud of our school and make sure that the decisions made, whether over staffing, finances, safeguarding, health and well-being, curriculum, property etc, are going to be right for our children and our community. Of course the focus, at the moment, is the new extension! I hope to have seen some of you at the consultation event.

Some of you may have seen me when visiting the school for fun events and performances, and I know our parent governors also get very involved.

I look forward to writing again next month, when I will profile one of the other governors. If there is anything you would like me to tell you about our work, remembering that some things will be confidential, please e-mail the school.

Girls Football Team News!

We are very proud of our girls football team who came third in The MUFC festival which was held at the Cliff. Their next games are at Stretford High on the 5th February and the North Trafford Finals.
