Exciting Learning at Gorse Hill...

Nursery- Children have been looking at rainbows and mixing different colours to see what we can make.

Reception- Our pupils have been learning all about the police and how they help us. To fit in with this the children had to help solve , 'The Great Reception Robbery'. Somebody had stolen the toys.!

Year 1- Children have had lots of fun investigating where the naughty bus has been on its journey around school. Pupils used their knowledge from their visit to MOSI to retell what happened on their trip and even wrote a great story about the Naughty Bus and its travels.

Year 2 Pupils have been learning about the Great Fire of London- using drama to act out key events.

Year 3- This week Y3 have been writing love poems as part of their topic, 'Why is Paris the city of love?'

Year 4- Children have mastered the art of using the grid method to multiply two-digit numbers.

Year 5- Pupils have begun to look at the tropical rainforests. Pupils can now locate the Amazon and Madagascar rainforest on a map.

Year 6- Children have been writing persuasive writing posters , 'Sprouts are not just for Christmas' and class 14 have been making toys and games that use an electric circuit.

Please check out class blogs to keep up-to-date with exciting learning in each class.

Building Extension Consultation

Don't forget the parent and community extension consultation is taking place on **Thursday 18th January between 3pm and 6pm in the school Hall.** We look forward to seeing you there! This is an excellent opportunity find out all the facts and ask any questions.
