Dyslexia Awareness Week

We have had a very successful dyslexia awareness week this week! The children have learned about how we all learn differently, how they learn best and that dyslexia is a learning difference. We have had guest speakers and a brilliant 'go green' day! Thank you to everyone who attended the Parent workshop. We would happily run this again if we had enough interest. The Parents who attended said it was very informative. The Extreme Reading competition deadline has been extended until Monday to allow for any last-minute entries - so get reading and taking pictures over the weekend! We will announce the winner next week.

Y6 Chemistry with Cabbages.

Both Y6 classes enjoyed a full day of hands-on chemistry . Children made indicators, tested household chemicals, looked at the properties of acids and made reversible and irreversible changes.
