Greetings from the Governors

Welcome back to a new year at Gorse Hill Primary School.

I hope you all had an enjoyable summer break, and I know that you and your children will be looking forward to another year of exciting learning, special events and friendship in our caring community.

At this time of year we like to reflect on the aims of our school and plan for further development. We had a very successful OfSTED inspection and we aim to continue to provide our central core statements:

To be

A Learning School

An Inclusive School

A Reflective School

A Community School

A Healthy School

A Growth Mindset School

We have a lot to look forward to including managing the building extension. I would like to thank you all for your understanding and co-operation whilst the work is done. A difficult time for everyone, but it will be well worth it in the end.

On behalf of all the Governing Body, we look forward to meeting you and enjoying the School's success whilst achieving our motto of 'Working Together to do our best.'

Well done Amelia Newbrook!

During the summer holidays, one of our year three pupils cut her hair off for charity. Amelia wanted to cut her hair to help children who are fighting cancer feel better by having wigs. Also she raised money to send to Space4Autism which is a charity close to their families heart and has helped her older brother Nathan.

Amelia raised an impressive £690.80

Well done Amelia! We are very proud of you.

Please ensure that your children arrive into school on time. Be ready to learn at 8:50am.

Uniform

Please ensure that your child wears the correct school uniform and school shoes. Trainers can ONLY be worn for PE lessons.
