

Gorse Hill Primary School

Twitter Policy

Review Policy	Annually
Adopted on	April 2017
Signed	
Responsible Person	Head Teacher

Rationale

The rationale of this policy is to explain acceptable use of Twitter relating to Gorse Hill Primary School's twitter accounts (Currently @GorseHillPE).

This policy relates to staff, children, parents and governors. The policy will therefore aim to explain the purpose of Twitter in Gorse Hill Primary School and the benefits that will arise from its proper use.

It will also deal with any potential pitfalls from using this communication tool.

What is Twitter?

Twitter is used primarily as a method of communication made up of 140 characters called a 'Tweet'. Tweets tend to reference people, places, and/or activities to which the said referee can respond. Tweeted either directly reference another person or broadcast information to which others can reply and respond. Twitter users are able to follow or be followed. To follow somebody / something ensures that all of their activity and comments appear in the followers news feed. The obvious benefit of having followers is that the information you broadcast is instantly distributed into their news feed. Users can also private message each other when they don't want conversations to appear.

Currently, Twitter is only used as part of the PE curriculum.

@GorseHillPE will not enter into private discussions with others.

@GorseHillPE will be a public account searchable through the Twitter website.

What is the primary purpose of Gorse Hill Primary School's Twitter Accounts?

@GorseHillPE and future accounts will be used to showcase work and achievements of children at Gorse Hill Primary School. It will also be used to demonstrate safe and responsible use of social media and encourage the use of 21st Century technology.

@GorseHillPE and future accounts will not be used as tools to support parental communication such as snow days, training day closures etc.
